Chapter 1 by SuperCoolStoryMaker

Arggh, these undead ghouls are keep on making my hearts low, even though I have a diamond sword enchanted with flame attack III

Chapter 2 by LethalPianist

I totally cheated this Fire Aspect III sword from commands, but dang, it's not enough!
I quickly typed in 3 more lines of commands, adding Smite XXXV on my diamond sword, but argh!
I can't click fast enough!

Chapter 3 by SuperCoolStoryMaker

So, I let myself die, and then I restarted to another place. "RRRRRRR"

Those undead ghouls came back to kill me. I hacked into my computer and got Herobrine's lava sword and put all of the enchantments possible,
and then attacked those undead ghouls. It was so easy. All I had to do was click on them once, then they died.
